ABOUT ME

I have been a freelance graphic designer since 2018. My diverse experiences have shaped my ambition to create designs that are not only aesthetically pleasing but also strategic. My strengths lie in the combination of creativity, perseverance, and adaptability to deliver the best results to clients through effective communication. Additionally, with a background in Informatics Engineering, I am also skilled in web development, which enhances my ability to deliver both innovative design and web solutions.

WORK EXPERIENCE

FREELANCE WEB DEVELOPER

2022 – Present

I developed custom websites for clients using HTML, CSS, and PHP, integrating responsive design techniques to ensure optimal user experience across all devices, while collaborating with clients to align their business goals with effective web solutions.

GRAPHIC DESIGN INSTRUCTOR

GIPPAMS ACADEMY

2022 - 2023

At Gippams Academy, I act as a graphic design instructor, leading students to develop their skills and understanding in graphic design through interactive curriculum and practical projects.

GRAPHIC DESIGN TEACHER

SMK BINA KARYA BANGSA

2021

While working at SMK Bina Karya Bangsa as a graphic design teacher, I led the students by providing in-depth guidance in creativity and graphic design skill development.

EDUCATION

BACHELOR OF INFORMATICS ENGINEERING

UNIVERSITAS PUTRA INDONEISA

I often participate in regional innovation competitions, expanding my knowledge in Informatics Engineering, graphic design and making positive contributions to innovative projects.
